Francesca Swailes, PharmD Ruth Robinson, CPhT

Dear New Mom,

Congratulations on your new arrival and on your decision to breast feed your baby! Breast feeding is a great source of nutrition for your baby. We want to assist you in getting off to a good start. Thank you for choosing Henrico Pharmacy as your Medela® breast pump provider. A wide variety of other products are available to assist you in making your breast feeding experience a success. Please call us if we can help you in any way.

The Pharmacy is located in the Henrico Doctors Medical Office building. This is the building adjacent to the Women's Pavilion. As you enter the building, the pharmacy is on your left. Pump rentals may be picked up or returned between 9:00 AM to 5:00 PM, Monday through Friday.

Medela® Breast Pumps are available for rental on a monthly or weekly basis at the following rates (Rental Fees are not pro-rated).

The Lactina Select breast pump:  
\$40.00 per month + tax  
\$13.50 per week + tax

The Symphony Pump:  
\$65.00 per month + tax  
\$20.00 per week + tax

Symphony and Lactina Accessory Kit \*  
\$45.50 \* One time purchase

Payment is due prior to each rental period. You will receive a reminder call approximately one week prior to the due date. In lieu of a deposit fee, we ask that you leave a credit card number on file. You may either charge the rental fee on your credit card, or send your payment to the above address. Some insurance companies may cover breast pump rental fees. If you wish to file a claim with your insurance, we would be glad to provide an itemized receipt. Henrico Pharmacy does not file claims or accept assignment with insurance companies for breast pump rentals.

As you use your breast pump to collect milk for your baby, it is important to keep your supplies and your work area clean. Those accessory parts that touch milk or the breast may be cleaned in the dishwasher, or hand washed with antibacterial soap. We recommend that you use an alcohol swab to clean the outside of the pump each day. Please note if you return your pump to the pharmacy, without cleaning it, you will be charged a \$10.00- \$20.00 cleaning fee.
